

[Verse 1]

You are my brother, you are my sister  
If you do the will of my Father  
Together we will walk until we finish  
Our strength is in each other

United we stand, together we move  
God's army in the Earth  
With one voice we declare we are one

[Chorus]

One mind, common sight  
Join our hearts we pray, O Lord  
Sanctified, undivided  
Kingdom values in our hearts  
Unity of vision, Christ will be seen in us  
We are one

[Verse 2]

Just as the Father and I are one  
So you must be united  
Obeying every word I've spoken  
Then I'll come and dwell in you

Abide in Me and let My word abide in you  
This is My commandment - you be one

[Bridge]

Then whatever we build will stand  
Fulfilling His every word  
The nations will come and say - "teach us your ways"  
If we remain as one
