

You are majestic, Holy
No one compares with You
Lord You are Sovereign, victorious
No one compares with You

You are the Lord of lords
Powerful, awesome God...Hallelujah
Together we bow at Your feet and we say to You
No one compares with You

With Your right hand of victory
You have crushed down the enemy
Great is Your power, O Lord

You have overcome the oppressor
You're a Man of War
The Lord is my strength and my song!
