

[Verse 1]

The kingdoms of this world are falling
According to Your excellent plan!
By violence they are crushed by the Stone
Cut out without human hands
Darkness covers the whole earth
Your light is arising
You are behind the crisis
And there is no denying

[Chorus]

Our God reigns
Yes! He does!
Our God reigns
Yes! He does!
Our God reigns
Yes! He does!
Our God reigns
Yes! He does!

[Verse 2]

We are not reacting
To the crisis of the times
The Kingdom is just fulfilling
The Master's grand design
We're moving to the Finish
With victory on our minds
Declaring the end of all things
And there is no denying

[Outro]

... And He shall reign forever and ever
King of kings
(Forever and ever)
And Lord of lords
(Hallelujah! Hallelujah!)
(repeat)
... And He shall reign forever and ever
Forever and ever
Forever and ever
Hallelujah!
Hallelujah!
Hallelujah!
Hal-le-lu-jah!!!!
